## THE PROGRAM

WILLIAM BUHL, Executive Vice President,  
Radio Free Europe.

As an expert on Poland and other Communist dominated countries, Mr. Buhl's advise is highly respected and used by the State Department.

It will be very interesting to hear Mr. Buhl's views on the impact Poland's fight for liberation is having on other Iron Curtain countries and to what extent Russia will go to prevent Poland from succeeding.

## PREZ SEZ

### PAST PRESIDENT'S DO THEIR THING

Last Tuesday we were entertained, informed, and amused by the annual 'past' presidents of our Club. These are the men who have done it all before and continue to serve as vital cogs in the wheels of Club operations. They are cool and relaxed at the podium. (This comes from knowing they don't have to be there next week!) Under the leadership of the one and only 'ED' SCOTT (Heritage Leasing), a super program as always when ED is in charge. Thanks for another one, ED!!

### LAST CALL...LAST CALL...HURRY!

If you have neglected to send your check to JAN BUCHART for the "Cookout under the Stars" next Friday evening at the Miramar Officer's Club---  
**PLEASE DO RIGHT AWAY!!!**

Do not miss this annual event. A terrific evening of good food, fun, dancing, etc., all for you and your lady..only \$18/couple

*What we learn from the past is that we seldom learn from the past.*

BILL MOYERS, who was an ordained Baptist minister during the time he was President Johnson's press secretary, was saying grace at a White House dinner one evening. Johnson was seated at the other end of the table and was having trouble hearing. "Speak up," he said, "I can't hear you."

"I wasn't talking to you," replied Moyers.

AL PELLING says retireing is tough--- can't find the 10 good men to replace him!!!!...

*Small fry to father: "How come soda pop will spoil my dinner but martinis give you an appetite?"...*

West Branch, Iowa - birthplace of President Herbert Hoover and our own ANDY ANDERSON. ANDY is a Trustee of the Herbert Hoover Library Association.

—————  
SIGNS of the times: Everyone has heard of family publishing firms like Charles Scribner's Sons, and G. P. Putnam's Sons. Now there is a new one in New York called Thomas Horton and Daughters.

—————  
How does one find Bayly, Martin & Fay Insurance Co.? After looking around Mission Valley for 45 minutes, ELLIS BENSON gave up and missed the Membership Committee meeting. Why not issue maps fellows---CHEVERTON, CHEVERTON, HAYES, HURRY, KELLERHOUSE, McNABB, etc.....?

Tarzan to Jane: *"It's a jungle out there!"*

JIM DALBY observed nodding and heavy-eyed sometimes--says each Tuesday he goes to Burbank at 2:00 a.m. to fly back a King Air 200.....!

*"How to reduce your errors at work-- Arrive late--leave early."*
