

## Silver Anniversary Committee lays plans for Celebration December 7.

Next December, this club will enjoy its 25th Anniversary and President Ed. Scott has appointed a special committee to handle the Silver Jubilee of our club.

Harry Fraser is chairman and the committee consists of Bill and Elsie Bonham, Don and Gertrude Hanson, Bob and Lou Mueller, Leo and Sarah Calland, Bob and Jean Frazee and Ed. and Cleo Scott, Cleo Scott to be chairman of the Ladies Committee.

The committee in part met last Tuesday after the regular meeting and discussed plans for the affair.

Each member of the committee expressed himself and with the various thoughts for a fine meeting and time, we are sure to have a celebration that will do honor to the occasion.

The evening of December 7th has been set and arrangements made for the use of the San Diego Club for that time so mark this date in your calendar for the Silver Anniversary meeting of our club. There will be an evening dinner and program after the dinner. The exact time will be announced later.

## LADIES Invited for Tuesday Program

Next week we are to have a rare treat in the person of Lynn Shannon, a dramatic reader who has gained an enviable reputation for dramatic work.

The feature will be outstanding and in view of the fact that undoubtedly the ladies would enjoy this treat, President Ed. Scott has invited the ladies to be present to enjoy the program with us.

Comments made by other organizations who have had the pleasure of the performances of Miss Shannon are many and we are sure that all will enjoy the program.

Roy French Kidd will be program chairman and being no mean actor himself should be able to make a good "understudy" for our lead.

It might be well for members taking their wives to call the San Diego Club, Mrs. Brehle at Franklin 6321, advising her of the number of extras you will have.

# Lieutenant Governor elect has fine background in civic accomplishments

Lloyd Adams, nominee for Lieutenant Governor of the Eleventh Division is an outstanding man in his community and at present president of the Chamber of Commerce in Brawley.

Every worth while activity in Brawley has seen Lloyd connected with it and we know that he will enter in the Kiwanis picture as Lieutenant Governor with a large background of experience in civic work.

One of the outstanding things done recently by him was getting Brawley to become interested in Blood donations and he was instrumental in bringing many to San Diego for this purpose. The Brawley Kiwanis Club was the originator in putting this deal over in great shape with their president, Lloyd Adams as the guiding motive in the plan.

We know that he will have a great year in Kiwanis and will be looking forward to seeing him here often.

The Installation meeting has not as yet been set but will no doubt be in Brawley late in the year (when the weather is pleasant over there) and we should find it a very pleasant journey, now that gas rationing is at an end.

## New Roster makes debut.

The Roster finally received its debut at last Tuesday's meeting and from now on, members will be on their own so far as keeping it up-to-date is concerned as notices of deletions or changes will be published in the Tidings as they occur and new names will be sent each member when ready for distribution.

As yet, there are several members who have not had their pictures taken and consequently their data is not in the booklet handed out. This is hardly fair to the rest of us who have done everything possible to get going. Please have this done immediately or you will find yourself fined from week to week until you act.

As soon as the newly elected officers have been qualified, a new sheet, listing the officers and directors for 1946 will be furnished and it is hoped that when the Committees for 1946 are appointed, to also furnish sheets for this so that every member will know who the chairman and committee members are.

---

Members are again cautioned not to let this roster out of their hands as additional copies cannot be furnished.

Keep it up to date and you will know your fellow Kiwanians and all about them.

## ROSTER CHANGE

The first change to be made is the deletion of the sheet of Royal Thomas, who is leaving San Diego and will shortly report in Germany for Y.M.C.A. work.

It is suggested that the deleted sheets be kept in an envelope for future use or perusal. It will assist you in keeping record of those who have left the club.

## Our F. B. I.

Our speaker last Tuesday, Mr. W. A. Murphy of the Federal Bureau of Investigation gave us a real thriller in his explanations of just how the desperate criminals are caught, many of them in their own traps.

His stories equal the high regard we have always had for that department and we do hope that we will always have such an efficient organization in our midst, one which not only prevents crime but catches up with the criminal in due course, making his life a miserable one in the meanwhile.

Knowing that they always get their man, it seems odd that so many with evil intentions start out the wrong road, leading only to the penitentiary or the gallows when the shortest road to a happy life is one of peace and respect for laws.

Even in our recent war period, this great organization did a vast amount of work to help keep this country free from the various saboteurs and other vermin whose chief duty was to destroy or injure where possible to delay our war efforts.

It should be noted that not once did the enemy get in his licks of dirty work due entirely to the watchful eye of the F.B.I.

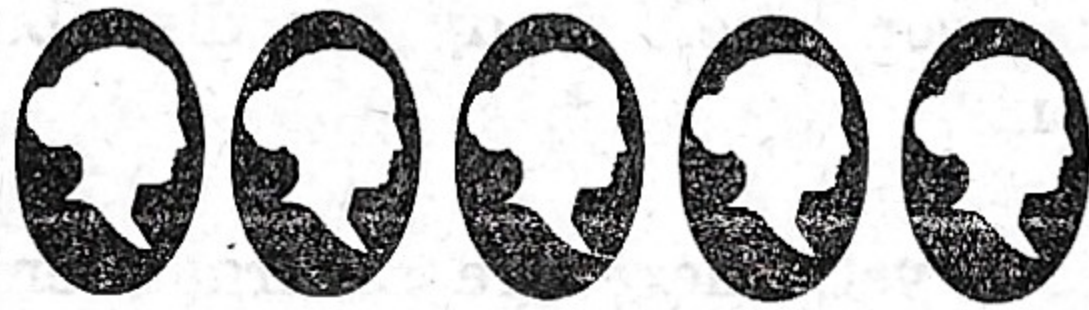

Mr. Murphy is well equipped in his experiences as well as in his ability to talk and we did enjoy his remarks and tales of "inside" work to the fullest.
