KIWANI-ANNES

The Kiwaniannes will meet next Monday, Sept. 24, at 12:30 p.m. for their regular luncheon meeting at the home of Mrs. Joseph Maddocks, 4672 Natalie Drive, phone R. 4055. A program which we feel will be both timely and interesting has been prepared by the program chairman. Members of the board are asked to be in attendance by 11:30 a.m. at which time a Board meeting will be called by the president, Mrs. Ed Scott.

Attendance Standing good.

We note in the CALIVADA, our official District Bulletin, that we now stand nearer the top in attendance than ever before and sincerely hope that we can retain this high mark which we have strived so hard to attain.

There still are several members who do not yet seem to feel that their presence is necessary at our meetings and they simply will have to learn that we need them at ALL

meetings and not just once in a while.

The Board some time ago took action that the axe should fall where it may and this might be the only way to stop the delinquency of these several who cannot "find time" to attend regularly or make up when necessary.

What say you, "irregulars".

## Election of Officers and Directors Tues. Sept. 25

The Nominating Committee, composed of Harry Malm, chairman, Russ Stowell, Berma Bonham, Dwight Keider and Tom Bomar, reported to the meeting and placed in nomination the following members for 1946:

Anderson Borthwick, president.

Orien W. Todd, Jr., 1st Vice-President.

A. Monroe Sanders, 2nd Vice-President.

Directors for three years,

Dwight E. Keider

Ray H. Murray

Richard A. Nelson

There having occurred a vacancy by the resignation of Royal Thomas, Harold Clapper was nominated

to fill his unexpired term from date to and including the year 1946 and 1947.

The final election will be held next Tuesday.

## Ladies enjoy character portrayals of Lynn Shannon

The Sub-rosa Ladies Day last Tuesday brought out quite a number of the ladies who no doubt enjoyed our program very much.

Miss Lynn Shannon gave us several fine interpretations of characters and will undoubtedly keep on going to the top in her work.

We find, however, that both the president, as well as the program chairman, were somewhat disappointed by the fact that their guest speaker did not occupy the place of honor between these two men at the head table, but, then, we guess they got along fairly well at a distance.

## Tuesday's Program

Our speaker for next Tuesday will be a man of outstanding success in his field of action.

Dr. Gerald Wendt, Scientific Editor of Time Magazine, has had much experience in the scientific world and will give us an interesting talk on various phases of his researches.

Dr. Wendt, in his experiments, found out how to release atomic energy by burning Tungsten in a vacuum tube. He also has the title of Dean of Chemistry and Physics, as well as having been a captain in the Chemical Warfare Service in World War 1.

His talk will no doubt be one which will give us much in connection with the chemical advancements of the past few years.

Tom Bomar will be Program Chairman.
