### 11+21 ADD UP TO 536

Our twin divisions, 11 and 21, did it again last Saturday evening. Except for the big one we had when Governor Hi made his first official visit to San Diego, the affair was the largest non-convention Kiwanis gathering in our district history. Certainly it was one of the most enjoyable and Alex Nichols turned in an address which was one of his best, and that is a high standard to judge by. Our new Lieut. Governor nominee, chosen unanimously at the afternoon caucus was presented by Jr. Todd. He is Nat Eggerdt, past president of the El Cajon Kiwanis and this past year Division Secretary. Division 21's new leader will be Dr. "Pep" Pepin. With these two fine Kiwanians heading the divisions next year we are assured that the close co-operation which has marked the administrations of Jr. and Dan Turner will be carried on to the benefit of both divisions, and all Kiwanis. Nat looks to us for the same support Junior expected and got, and I assured him in your name, that he would get it.

After meeting and hearing Mrs. White last Tuesday it was easy to understand the enthusiasm of our Kiwaniannes for her and her work. There is a real dedicated woman, a real mother to a lot of lost and con-

fused kids who are in desperate need of what she gives so freely. We can and should be thankful, rather than proud, that we had the opportunity to help our Kiwanianes in their project to rehabilitate the teen age girls' dorm in "Our House." In case any of you don't know, what we did was to make a free grant of \$250 to the Kiwanianes and lend them another \$250 (interest free naturally) so they could go ahead this summer. With the professional advice and freely given assistance of member **George Obert** they did a job which Mrs. White says is the most wonderful thing that ever happened to those young ladies.

Thanks, fellows for the "showering down" last week. The total, including that third buck you hollered me into on the forgotten philosopher bloop, was \$106. That is a new high in spontaneous generosity at our meetings.
